

An Awareness Programme on Corona Virus Disease (COVID-19) - for School Children was jointly organized by The National Academy of Sciences, India - Lucknow Chapter (NASI-LC) & Hiranya Medical Centre, Mahanagar, Lucknow

An Awareness Programme on Corona Virus Disease (COVID-19) - for School Children was jointly organized by The National Academy of Sciences, India - Lucknow Chapter (NASI-LC) & Hiranya Medical Centre, Mahanagar, Lucknow on 1st July 2020. Prof. Pramod Tandon, Chairman, NASI-LC mentioned about the mandate of NASI for science promotion amongst the masses and the resolve of the Academy to fight the Corona Pandemic through awareness. Dr. Praveen Tandon spoke on the topic entitled 'I PROTECT YOU PROTECT ME'. A large number of students from S.R. Global School, Lucknow participated in the programme and interacted with him through ZOOM Video Communications. The students highly appreciated this programme and promised to take the message forward. Biotech Park facilitated the conduct of this programme.
